# District Director Report

Sujata Yellaepeddi, DTM

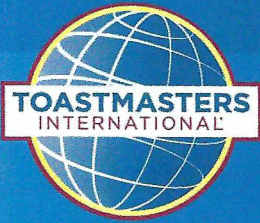

5/7/2024

Hello everyone, I would like to remind everyone of our vision for our term “Let’s Thrive Together”

A few key points to share today:

1. I super excited to see 2 new clubs added to District 5 – Gowan Toastmasters & Balfour Beatty Toastmasters. As I look at our District Dashboard, I see that we have 96 paid clubs. We still have 2 months to go and I believe there is still time to make a difference. Lets work together and make District 5 thrive.
2. We have our elections coming up on May 17. Please ensure the club representatives( President & VPE) are present for the voting especially for the clubs moving divisions.
3. We are all sold out for the May 18 spring conference. I am looking forward to having a great conference.

Moving forward your talking points with your clubs should always be the club’s DCP Report. Always end your email or phone conversation with where the club is with their DCP goals, club and member incentives and resources to help the club meet their DCP goals. We only have 4 more months to the finish line lets support our clubs to become distinguished.

Helped post District events on Social Media. Also helped clubs post open houses and special events on District Social Media, like Career Builders Toastmasters Club, Voyagers Toastmasters, etc.

**Do you know District 5 have 9 Social Media accounts which are available on [d5tm.org](http://d5tm.org) homepage? We can help all clubs promote their open house and special events. We can also add club VPPR as an event organizer in District Meetup group so that you can create events for your club meetings and open houses. Reach out to [prm@d5tm.org](mailto:prm@d5tm.org).**
